\$500 Lease-up Incentive for Landlords

Neighborhood Foundations is offering an incentive program to assist Section 8 participants in finding housing.

The lack of available housing in the area has had a negative impact on low-income families. As such, we are prepared to pay a bonus of \$500 for each new housing unit placed on the Section 8 program, retroactive to August 1, 2022.

**Eligible areas for this incentive include:
Newport, Bellevue, and Fort Thomas, KY.**

Landlords will receive the \$500 bonus after the Section 8 department confirms lease up.

Property owners who have questions or would like to participate in the voucher program should contact Ashley Skirvin at 859-581-2533 Ext. 216.
